Try

P!NK

Ever wonder 'bout what he's doin'?
How it all turned to lies
Sometimes I think that is better
To never ask why

Chors:
Where there is desire there is gonna be a flame
Where there is a flame someone's bound to get burned
But just because it burns doesn't mean you're gonna die

You gotta get up and try and try and try..
You gotta get up and try and try and try..
You gotta get up and try and try and try..

Funny how the heart can be deceiving
More than just a couple times..
Why do we fall in love so easy
Even when it's not right

Chors:
Where there is desire there is gonna be a flame
Where there is a flame someone's bound to get burned
But just because it burns doesn't mean you're gonna die

You gotta get up and try and try and try..
You gotta get up and try and try and try..
You gotta get up and try and try and try..

Ever worry that it might be ruined?
Does it make you wanna cry
When you're out there doing what your doing
Are you just getting by

Tell me are you just getting by by by..

Chors:
Where there is desire there is gonna be a flame
Where there is a flame someone's bound to get burned
But just because it burns doesn't mean you're gonna die

You gotta get up and try and try and try..
You gotta get up and try and try and try..
You gotta get up and try and try and try..
