

I Am Your Singer

Paul Mccartney

You are my love, you are my song, linger on
You are my song, I am your singer
You are my one, you are my own melody
You are my song, I am your singerSomeday, when we're singing
We will fly away, going winging
Sing, singing my love song to youSomeday, when we're singing
We will fly away, going winging
Sing, singing my love song to youMy song is sung
When day is done harmonies will linger on
I am your singer
I am your singerSinging my love song to you
