They Don't Know

Auryn

You light the way
You are the road that leads me home
I'm here to staySo forget the words
Forget the sticks, forget the stones
Forget their worstCause they don't know what love isHey, they don't know what love is
Don't know what they're missing
No matter what they say
A thousand miles away
They won't ever catch us
It's only us that matter
Is made for you and me
They don't know what love is
Nanananananana...
They don't know!I'll, I'll hold you now
I will keep you never leave
You or let you downDon't, don't turn away
Don't ever listen, don't believe
A word they sayCause they don't know what love is babyHey, they don't know what love is
Don't know what they're missing
No matter what they say
A thousand miles away
They won't ever catch us
It's only us that matter
Is made for you and me
They don't know what love is
Nanananananana...
They don't know what love is
Nanananananana...
They don't know!Hey, they don't know what love is
Don't know what they're missing
No matter what they sayHey, they don't know what love is
Don't know what they're missing
No matter what they say
A thousand miles away
They won't ever catch us
It's only us that matter
Is made for you and me
They don't know what love is
Nanananananana...

They don't know what love is
Nanananananana...
They don't know!
