Sound of Silver

LCD Soundsystem

Sound of silver talk to me

Makes you want to feel like a teenager

Until you remember the feelings of

A real life emotion of teenager

Then you think againSound of silver talk to me

Makes you want to feel like a teenager

Until you remember the feelings of

A real life emotion of teenager

Then you think againSound of silver talk to me

Makes you want to feel like a teenager

Until you remember the feelings of

A real life emotion of teenager

Then you think again
