

Die Young

Primal Fear

[Black Sabbath cover] Yell with the wind, though the wind won't help you fly at all your back's to the wall

Chain the sun, and it tears away and it breaks you as you run, you run, you run!

Behind the smile, there's danger and a promise to be told: you'll never get old - ha!

Life's fantasy - to be locked away and still to think you're free you're free, you're free! So live for today

Tomorrow never comes Die young, die young

Can't you see the writing on the wall?

Die young, gonna die young

Someone stopped the fall Yell with the wind, though the wind won't help you fly at all your back's to the wall

Chain the sun, and it tears away and it breaks you as you run, you run, you run! So live for today

Tomorrow never comes Die young, young!

Die young, die young!

Die young, die young, young!

Die young, die young, die young, die young, die young!!!
