Wait for Me

Angie Stone

Wait for Me
I need to get up out of here.
Baby just wait for me. (Said I'm coming.)
It won't be long. (Said I'm already packed, ready to go, waiting to get out of here.)
Baby just wait for me. (I'm coming.)
It won't be long. (I said I'm on my way, ready to stay; did I make it crystal clear?)Since you came into my life.
Strong, sweet, and positive.
Things are so right.
So far away, I'm counting down the days.
Baby I anticipate loving you a billion ways.Baby just wait for me. (Said I'm coming.)
It won't be long. (Said I'm already packed, ready to go, waiting to get out of here.)
Baby just wait for me. (I'm coming)
It won't be long. (I said I'm on my way, ready to stay; did I make it crystal clear?)Baby can you feel it?
That this thing that we've got is real
Though we're miles apart, you've still got my heart
I'm about to leave today and be on my way
Baby just be still.Stop don't worry.
You already got me, right where you want me.
I promise it won't take long.
I'm on my way home!A thousand kisses for you
Is never too much (Never too much, never too much, never too much)Greyhound, or Amtrax
Whatever it takes I'm coming back
Mercedes Benz, or airplane
Through the clouds and the rain
Days, hours, minutes, seconds
I can't wait another day.
With all this distance it's tearing me away, yeah!Baby just wait for me. (Said I'm coming.)
It won't be long. (Said I'm already packed, ready to go, waiting to get out of here.)
Baby just wait for me. (I'm coming.)
It won't be long. (Said I'm already packed, ready to go, waiting to get out of here.)
Baby just wait for me. (Said I'm coming.)
It won't be long. (Said I'm already packed, ready to go, waiting to get out of here.)Stop don't worry.
You already got me, right where you want me.
I promise it won't take long.
I'm on my way home!I said I'm already packed, ready to go, got to get out of here.
I said I'm ready to go, already packed, got to get out of here.
