

Missing You

Black Eyed Peas

I can't stand another night
Stand another night
Without you
I can't stand another night
Stand another night
Without you
Since you've been away
Everything don't seem like they used to be
Between you and me
'Cause I'm missing your (ah-ah-ah-ah-ah-ah)
I'm missing your love (love-love-love)
I'm missing your (love-love-love)
I'm missing your love (love-love-love)
Yo. Yo. Yo.
Since you've been away
Everything don't seem like they used to be
Between you and me
'Cause I'm missing your (ah-ah-ah-ah-ah-ah)
I'm missing your love (love-love-love)
I'm missing your (love-love-love)
I'm missing your love (love-love-love)
I'm missing your love (love-love-love) I'm missing your love (love-love-love)
When I'm out on the road (I'm missin' you)
Rockin' them shows (Missin' you)
Up in Monaco (I'm missin' you)
Making gold
When I'm AC plus (I'm missin' you)
And glamorous (Miss kissin' you)
But I miss your touch (I'm missin' you - oh-oh-oh)
Yeah, I miss your touch
I spend all my time (Missin' you)
With you in mind (Missin' you)
My mind's on you
'Cause all I am is missing you (I'm missin' you - missin' you)
(I'm missin' you)
(I'm missin' you)
Since you've been away
Everything don't seem like they used to be
Between you and me

'Cause I'm missing your (ah-ah-ah-ah-ah)I'm missing your love (love-love-love)
I'm missing your (love-love-love)
I'm missing your love (love-love-love)
I'm missing your love (love-love-love)I'm missing your love (love-love-love)Girl, I aint never had nothin' like
this

When I'm all sprung caught up like this
Maybe it's your face, girl
Maybe it's your lips
Maybe it's the way you shake them hips
Baby it's the way you do what you do
That got me all love struck on you
I'll be just like an umbrella
The way I'm all over you
I know them other voice be callin' you
But they just want a piece
I want all of you

Take my time just spoilin' you'Cause I know I'm in love with you (with you - with you)

Please, baby, don't goI'm needin' you now
I'm missin' you - Oh oh oh
I'm missin' you - Oh oh oh
I'm missin' you - Oh oh oh
I'm missin' you - Missin' you
I'm missin' you - I'm missin' you
Hey!

I miss your love, girl (love-love-love)
I miss - I miss your love
I miss your love, girl (love-love-love)
I miss - I miss your love
Hey!

I miss your love, girl (love-love-love)
I miss - I miss your love
I miss your love, girl (love-love-love)
I miss - I miss your love... love... love...
