## Yellow

## **Richard Cheese**

Look at the stars Look how they shine for you And everything you do Yeah, they were all yellowI came along I wrote a song for you And all the things you do And it was called 'Yellow'So then I took my time Oh what a thing to've done And it was all yellow Your skin, oh yeah, your skin and bones Turn into something beautiful D'you know? You know I love you so You know I love you soI swam across I jumped across for you Oh what a thing to do 'Cause you were all yellowI drew a line I drew a line for you Oh what a thing to do And it was all yellowYour skin, oh yeah, your skin and bones Turn into something beautiful D'you know? For you I bleed myself dry For you I bleed myself dryIt's true Look how they shine for you Look how they shine for you Look how they shine for Look how they shine for you Look how they shine for you Look how they shineLook at the stars Look how they shine for you
