

# A Johnny Ace Christmas

## Squirrel Nut Zippers

It's Christmas Eve, people  
But someone's got to go  
It's Christmas Eve, people  
But someone's got to go I never thought he'd have the nerve  
But that just shows you what I know  
He had a sweet and lonely voice  
How I wish that he had stayed He had a sweet and lonely voice  
How I wish that he had stayed  
But the dealer dealt the cards  
And the ace has done been played He used to talk about forever  
Forever and a day  
But when you get down to it  
Things just don't work out that way
