Hardly Wait

Juliette Lewis

I can hardly waitIt's been so long
I've lost my taste
Say angel come
Say lick my face
Let fall your dreams
I'll play the part
I'll open this mouth wide
Eat your heartI can hardly waitLips cracked, dry
Toungue blue burst
Say angel come
Say lick my thirst
It's been so long
I've lost my taste
Here Romeo
Make my world as greatIn my glass coffin
I'm waiting
