

# Oh How the Mighty Have Fallen

## Angels of Babylon

You always told me just the way my life should be  
I put my faith in you, did you believe in me  
Or was I just a way to get you what you needPre-  
Falling down, far away

No one there to try and saveHow does it feel looking up to see the ground  
And all your damaged dreams are no where be found  
The streets are paved with gold but you can't find a friend  
Oh how the mighty have fallenWhen did it get too deep and dark for you to see  
And now you're left to wallow drowning in your greed  
Your desperation has you crawling on your kneesPre-

Why don't you fly away

Your demon wings in full display

Now you have Hell to payYou always told me just the way my life should be  
I put my faith in you, did you believe in me
