

# Hunt By Numbers

## Jethro Tull

Hey little buddies  
Soft and silky night walkers  
Dangerous species  
Tiptoe menace, long grass stalkers On my bed  
No butter melting in your jaws  
Bonding monster  
Lethal weapon wearing claws Now let's go out to hunt by numbers, yeah Tabby, spotted, black as coal  
Serval, Margy, Caracal  
Moggie in the moonlight, moonlight listens  
Whiskered sensory miracle Felis, befriend us  
Egyptian Mau-Freya's familiar  
Long in the future  
Cloned disciples, the castle guard Now let's go out to hunt by numbers, yeah Hey, little buddies  
Soft and silky night walkers  
Dangerous species  
Tiptoe menace, long grass stalkers On my bed  
No butter melting in your jaws  
Bonding monster  
Lethal weapon wearing claws Now let's go out to hunt by numbers, yeah
