Don't Pretend (feat. SAFE)

Khalid

I feel like I'm losing you whenever I'm offline
No one ever had you
I used to pretend that you're mineI feel like there's nothing for me here but still I try
I feel like there's nothing for me here but still I try
Bruising my finger
Hitting your line
If I'm holding back
I might just lose my mind
(So alone)
Keeping my phone alive (Alive)
Hoping that you call this time (Oh, I)
Thought I heard your ringing (You)
You know I hear things sometimes
Call my line, call my line
Come alive, come alive
Show me, don't pretend
Show me, don't pretend
Show me, don't pretendKeeping you on my radar
Lately you're so damn cold
You used to hold me down
You're far so it's been a while
I still remember your voice
How you talk so soft in the morning
You're the only one I'm wanting
Love stays still and I'm frozen
But I'm opening
Thoughts that I keep within, I
Guess I gotta be a man
I tried as hard as I can
Keeping my phone alive (You)
Hoping that you call this time
Thought I heard you ringing
You know I hear things sometimes
Call my line, call my line
Come alive, come alive
Show me, don't pretend
Show me, don't pretend
Show me, don't pretend
Show me, don't pretend

Show me, don't pretend
(Come alive, oh yeah)
Show me, don't pretend
(Yeah, yeah)
Show me, don't pretend
