

# Binary 101

[earthtone9](#)

viewed from the darkest hole  
outward face looking up  
despair viewed down on, down on , down on  
marked by a deeper scar  
find the light i look for, look for, look for  
these scars cause fallsi have need for outward  
do i have to wait?  
wait for this  
i begin the long climb back on this rough terrain - longdragged down to a new depth  
balance lost again, again, again  
these scars cause fallsi have need for outward  
do i have to wait?  
wait for this  
i begin the long climb back on this rough terrain - long
