

Ember Mother (Dagger version)

Perma F

Silver horses
Eagle feathers
Rivers Singing brightSunset learning
Silent wisdom
Sharing land of graceThunder roaring
Winter biting
Summer sun of lifeWhen nature is calling
and silver horns blow
We lie by the fire afterglow
The ember mother is old and slow
But she will show where the buffaloes goGrizzly claws
Falcon eyes
Hungry wolf pack liesAlien voices
Fire dying
Pale and iron horseWhen nature is calling
And silver horns blow
We lie by the fire afterglow
The ember mother is old and slow
But she will show where the buffaloes goTrading stories
Land for nothing
Drinking spirit fireWalls of money
Empty faces
Darkness and despairWhen nature is calling
and silver horns blow
We lie by the fire afterglow
The ember mother is old and slow
But she will show where the buffaloes goOur land is stolen
and we learned why
A word of honor becomes a lie
The winter is calling and eagles fly
The grass turns black and we turn to die
