

Breakn' a Sweat

Skrillex & The Doors

All right this is the breakdown
I'm breakin'a sweat
It's all right
I'm breakin' a sweat
I said it's all right
I'm breakin' a sweat
It's all right
I'm breakin' a sweat
Come on baby light my fire I'm breakin' a sweat
It's all right
I'm breakin' a sweat
I said it's all right
breakin' a sweat
It's all right
I'm breakin' a sweat
Woo! That's good
That's good
That's good
Come on baby light my fire
That's good
That's good That's kick ass
That's good
That's good
Come on baby light my fire
That's good
That's good I'm breakin' a sweat
It's all right
I'm breakin' a sweat
I said it's all right
I'm breakin' a sweat
It's all right
I'm breakin' a sweat
Come on baby light my fire I'm breakin' a sweat
It's all right
I'm breakin' a sweat
I said it's all right
breakin' a sweat
It's all right
I'm breakin' a sweat

OK play that beat again That's good
Come on baby light my fire
That's good Woo! That's good, that's all right
