High Time

Paul Jones

High time, long time, day time, night time,
High time, long time, day time, night time,
High time I had such a good time,
My baby stayed a long time,
Now she's gone away,
I must stay.
But I know I'll wait forever 'til we get together.High time, long time, now I'm small time,
High time every day was sunshine,
You got to last a long time,
I've seen the last of you, I'm telling you,
I'm not gonna let you get me,
I know she won't forget me,
High time, now I'm in between time.
Baby come back, baby come back
Your daddy will wait forever for you,
Baby come back, baby come back,
Your daddy is here and there's nothing to fear.Ooh! High Time! Soon we're gonna be in big time,
The greatest girl of all time, is coming back to me,
And you'll see,
We're have a high time together making love forever
High time, long time, day time, night time
High time, long time, day time, night time
Mmm high time, long time, day time, night time,
I'm telling you high time, long time etc.
