

# Thrillbilly (feat. Miley Cyrus)

## Billy Ray Cyrus

Shootin' at a beer can on a fence post  
Drivin' to your girlfriend's on a backhoe  
Goin' skinny-dippin' on an old wood dock  
Startin' up a bonfire with gasoline  
Seein' who can get higher on a rope swing  
Burnin' up your new tires in the parking lot  
Let me tell you right now  
Just in case you don't know [Chorus]

That's thrillbilly

Real hillbilly

That's thrillbilly

'Till the cows come home

That's down-home style

Mixed with buck wild

So get on down and you'll be proud

Of how you roll

That's thrillbilly

That's thrillbilly Flippin' off a barn roof into a haystack

Sippin' on some home brew sittin' outback

Thinkin' it'd be cool to build a submarine

Dragin' down a two lane with your lights off

Hoppin' on a freight train at a feed lot

Raisin' you some bi cain- in John Deere green

Here's come Bubba on his four-wheeler

"Hey man, y'all watch this" [Chorus] Oh, hillbilly Come on, come on [Chorus] Oh, hillbilly So get on down and  
you'll be proud  
Of how you roll.
