

Goodnight Lovers

Depeche Mode

(Shh)

Here, somewhere in the heart of me
There is still a part of me
That cares And I'll, I'll still take the best you've got
Even though I'm sure it's not
The best for me When you're born a lover
You're born to suffer
Like all soul sisters and soul brothers I, I can see the danger signs
They only help to underline
Your beauty I'm not looking for an easy ride
True happiness cannot be tried
So easily When you're born a lover
You're born to suffer
Like all soul sisters and soul brothers
Like all soul sisters and soul brothers You can take your time
I'll be waitin' in line
You don't even have to give me the time of day When you're born a lover
You're born to suffer
Like all soul sisters and soul brothers
Like all soul sisters and soul brothers
Like all soul sisters and soul brothers
Like all soul sisters and soul brothers
(Shh)
