Bleed

Cold

I'm feeling crossed, I take it inside
Burn up the pain, my thoughts are strange
Just like the things, I used to love
Just like the tree that fell, I heard it
If art is still inside, I feel itI wanna bleed
Show the world all that I have inside
I wanna scream
Let the blood flow that keeps me aliveTake all these strings
They call my veins
Wrap them aroundPresence of people, not for me
Well, I must remain in tune, forever
My love is music
I will marry MelodyI wanna bleed
Show the world all that I have inside
I wanna scream
Let the blood flow that keeps me aliveWell, I said,"I wanna scream, I wanna bleed "
I wanna scream, I wanna bleed
Won't you let me take you, for a rideYou can stop the world
Try to change my mind
Won't you let me show you, how it feels
You can stop the world
But you won't change meI need music
And I need music
And I need music to set me free
To let me bleed
