

A Matter of Time

Dillon

Rain drops, trees rise
Valleys sink and seas defy
It's only a matter of time
Temperatures rise
Mountains peak
Skies fall, flats tire
It's only a matter of time
With the waves
Cutting air
I give way
Call us trade
Rain fills my eyes
In the sea I lose my mind
I'm only a matter of time
When we collide
Mountains peak
Skies fall, flats tire
We're only a matter of time
With the waves
Cutting air
I give way
Call us trade
Rain drops, trees rise
Mountains peak
Skies fall, flats tire
It's only a matter of time
Rain drops fill my eyes
In the sea I lose my mind
I'm only a matter of time
