Feel The Pain

Adam Deacon

yo yeh light the bifta
im gonna rape your little sister
five finger lickin
im gonna give her a kickin
yo yh my names little t
you have a small pee pee
your nans clapped
i make money on the map
all your bars are crap
man ill give you a scrap
beat you jus like your mum used to
man you cant get head
your bars are bare dead
ill shank your nan quicker
than the flicker off
of your school kickers
man i drink bare liquor
to fuck you up quicker
when i was a kid i used to watch mickey mouse
now im getting clout for stayin in my house
kids these days think its easy to rap
but all the rappers be chatting bare crap
new rap is jus auto tune
wish i could kill them rappers with a harpoon
but instead ill kill them with my bars
i own bare cars
my mate vitalijus is jus a crack dealer
most girls nowadays wear too much consealer
your man be feelin the pain
whilst my man be making p in the rain
