Running out of Time

Nite Jewel

i tried to make it right
and i failed so many times
i prevailed
in a different light
but one will always side
do i abide
to the decency
of life that's ruled by love?
or do i cry
in secrecy
when i have to give it up?i'm running out of timedifferent lives
the mystery
of a want to be reborn
and my mind
in history
forever seeks to mournpleasure unremembered
in my periphery
and in front of me
everywhere
in a dark blue and purple shadeand me
an ecstatic being
went up to an apex
riding a blanket
of energy
the city shined light sporadicallyi rode the sky and all the while
the earth remained down
perched
in the dark
for homecoming
