

# Lullaby

## Black Rebel Motorcycle Club

You are the sun to the earth  
You are the light of this world  
Won't you see  
Why won't you see  
You are an arm I can't reach  
You are the words I can't speak  
Won't you say  
Why won't you say I will walk till I've no shadow  
I will walk till I've no shadow You twist the light in your hands  
Losing thoughts so you move you can't give  
Reasons fall from every storm that you lived  
We move through the dark, helpless You are the quiet in my soul  
You are the pieces of gold  
Won't you shine  
Why won't you shine
