

# Sweet Unknown

## Thousand Foot Krutch

You were someone who I could talk to if I wanted to  
You're one of a kind if one of a kind means that you were the only one  
And I really don't even think you see all the things you've done for me  
And I will never forget as long as I live  
And even after I'm gone 'cause then I'll be with you You never left me alone, my sweet unknown  
So sweet, you're so unknown  
You could see right through me  
Sweet unknown, sweet unknown  
Sweet unknown, sweet unknown You were someone who I could talk to if I wanted to  
You're one of a kind if one of a kind means that you are the only one  
And I really don't even think you see all the things you've done for me  
And I will never forget as long as I live  
And even after I'm gone 'cause then I'll be with you You never left me alone, my sweet unknown  
So sweet, you're so unknown  
You could see right through me  
Sweet unknown, a sweet unknown
