

Dreams

Sammy Hagar & The Circle

Well your world turns black and white
Your pictures in an empty room
Your love starts fallin down
Better change your tune
and reach for the golden ring
You reach for the sky
Now baby spread your wings
Let's get higher and higher straight up we'll climb
We'll get higher and higher let's leave it all behind
Well you run, run, run, away
It's like a train rollin' off the track
The truth gets left behind
Fall between the cracks
Well we're standing on broken dreams
Never losing sight
Oh Lord
You gotta spread your wings
Let's get higher and higher straight up we'll climb
We'll get higher and higher we'll leave it all behind
Now baby dry your eyes, and save all the tears you've cried
Ohh that's what dreams are made of
Oh and baby we belong in a world that must be strong
Ohh that's what dreams are made of
Hey! Ohh Ya Ya Let's get higher and higher straight up we'll climb
We'll get higher and higher leave it all behind
We'll get higher and higher who knows what we'll find
Now baby dry your eyes, save all the tears you've cried
Ohh that's what dreams are made of
Oh and baby we belong in this world and must be strong
Ohh that's what dreams are made of
And in the end on dreams we will depend
Ohh that's what love is made of Oh Baby We'll always have our dreams
