Kodak Black

[Intro]

Lil Metro on that beat[Hook]

Lil Kodak they don't like to see you winning

They wanna see you in the penitentiary

I need me a lil baby who gon listen

Girl I don't wanna be the one you igging

My momma told me boy make a decision

Right now I'm gonna keep a tunnel vision

I need me a lil baby who gon listen

Girl I don't wanna be the one you igging

Lil Kodak they don't like to see you winning

They wanna see you in the penitentiary

I need me a lil baby who gon listen

Girl I don't wanna be the one you igging

My momma told me boy make a decision

Right now i'm gonna keep a tunnel vision

They say that all my homies on a mission

And I ain't tryna miss out on these millions[Verse 1]

I Jumped out of that wraith Kodak bought a wraith

Uh, I'm the shit I need some toilet paper

Follow my pair of rules then we gon be ok

On the real I need a deal who gon cooperate[Hook]

Lil Kodak they don't like to see you winning

They wanna see you in the penitentiary

I need me a lil baby who gon listen

Girl I don't wanna be the one you igging

My momma told me boy make a decision

Right now I'm gonna keep a tunnel vision

I need me a lil baby who gon listen

Girl I don't wanna be the one you igging

Lil Kodak they don't like to see you winning

They wanna see you in the penitentiary

I need me a lil baby who gon listen

Girl I don't wanna be the one you igging

My momma told me boy make a decision

Right now I'm gonna keep a tunnel vision
They say that all my homies on a mission
And I ain't tryna miss out on these millions[Verse 2]
I told you niggas I'm gon be that fucking nigga
Everything be good to you bow down
They wanna see a nigga shot see me in the system
All you niggas out here poison like snake venom
Codeine in my liver watch balenciaga denim
Im booted even when i'm sober i don't need a trigger
They say that all my homies want a fucking 20
I told her baby im coming home cause im fucking horny
Im on the road with [?] so i keep the corn
A god to the [?] baby boy
Lil kodak boy they hate to see you in a foreign
They miss when you was in the hood kicking door[Hook]
Lil Kodak they don't like to see you winning
They wanna see you in the penitentiary
I need me a lil baby who gon listen
Girl i don't wanna be the one you igging
My momma told me boy make a decision
Right now i'm gonna keep a tunnel vision
I need me a lil baby who gon listen
Girl i don't wanna be the one you igging
