

Now I'm Gone

Monica

Monica, baby, I'm sorry
I know I was wrong
But I think we can work it out
Just try to hear me out
Nah, you hear me out I gave you so much love
But you had to play with my affections
My heart was in your hands
But you had to play with all my feelings You got your mack on, but now I'm gone
'Cause I'd rather be all alone
Away from all these silly games Because I gave you no reason why
But you do, do your thing on the side
But now I'm gone
'Cause it will never be the same You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone
Gone away from you I thought I knew you well
But you ran away, didn't care about me
You told so many lies
Thought you could run away
From this thing called reality But I'm long gone, I gotta go on
There's someone waitin' for me
To love me honestly, but you know I gave you no reason why
But you do, do your thing on the side
But now I'm gone
'Cause it will never be the same You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone
I'm gone away from you I gave you no reason why
But you do, do your thing on the side
But now I'm gone
'Cause it will never be the same You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone
But now i'm gone, now I'm gone
Now I'm gone away from you You see, the things you did to me back then
I'm long gone from it now
Baby, I gotta go my own way
They say that you never miss a good thing
Until it's gone, until it's gone away I gave you no reason why

But you do, do your thing on the side
You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone I gave you no reason why
But you do, do your thing on the side
You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone I gave you no reason why
But you do, do your thing on the side
You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone I gave you no reason why
But you do, do your thing on the side
You were busy kickin' it with your boys
Instead of takin' care of your girl
But now I'm gone I gave you no reason why
But you do, do your thing on the side
