

LEWIS BOOGIE

Waylon Malloy Payne

My name is Jerry Lee Lewis, come from Louisiana
I'm gonna do you a little boogie on this here piano
Doing mighty fine, I'm gonna make you shake it

I'll make you do it and make you do it, until you break itIt's called the Lewis boogie, in the Lewis way
Lord, I do my little boogie woogie every dayWell, down in New Orleans, the land of dreams
The best doggone place, son, you have ever seen

The cats go wild, do a boogie that's hot

My boogie woogie makes you want to stop and do the bopIt's called the Lewis boogie, in the Lewis way
Lord, I do my little boogie woogie every day aw, oh, boyWell, now let's cruise on down to old Memphis town
That's where that Presley boy said, you ain't nothing but a hound

But now you take my boogie, it keeps you in the groove

Then your sacroiliac begins to shiver and a moveIt's called the Lewis boogie, in the Lewis way
Lord, I do my little boogie woogie every dayOh, boogie woogie when your hips start rockin'
And your knees start knockin', Lewis boogie, Lewis way

Lord, I do my little boogie woogie every day
