

# She's Got It

## Sinthesis

There's a sweet little girl that lives down the street  
Some people think she's square but I think she's sweet  
You can see her every day, strolling up and down the way  
Looking so pretty and this is what I sayShe's got it  
Ooh baby, she's got it  
Ooh baby, she's got it  
I can't do without herBig blue eyes, long black hair  
Dimpled cheeks and she's no squareShe's got it  
Ooh baby, she's got it  
Ooh baby, she's got it  
I can't do without herRuby lips, shapely hips  
When she walks down the street all the cats flipShe's got it  
Ooh baby, she's got it  
Ooh baby, she's got it  
I can't do without herShe loves to sing, hot rod queen  
She's real gone in everythingShe's got it  
Ooh baby, she's got it  
Ooh baby, she's got it  
I can't do without herShe loves to sing, hot rod queen  
She's real gone in everythingShe's got it  
Ooh baby, she's got it  
Ooh baby, she's got it  
I can't do without herWhen the music's hot, she loves to bop  
She'll dance till the jukebox popShe's got it  
Ooh baby, she's got it  
Ooh baby, she's got it  
I can't do without herYeah, she's got it  
Oh, oh, she's got it  
Ooh, she's got it  
Yeah, she's got it  
Oh, oh, oh, yeah, ah
