## Black Eyed Peas

We be fallin up like growin  
Niggas don't be knowin our styles we be showin  
Extraterrestrial complete show em  
Sure, shoney men bring on the spear flow em  
Up in the air, into their athmosphere  
Let em know we tooke some shit right here  
There's no way of knowing where we going from here  
But we're prepared to enter war they declare  
Motion to motion, we be like ghostin  
Black Eyed Peas contain the rhyme with the potion  
Got your emotion mingling with us  
Any animosity now it's time to hush  
Feel the fuckin rush Say what if you feelin it (Say what, say what)  
I know you feelin it (Say what, say what)  
Say what if you feelin it (Say what, say what)  
I know you feelin it (Say what, say what)  
Say what if you feelin it (Say what, say what)  
I know you feelin it (Say what, say what)  
Say what if you feelin it (Say what, say what)  
I know you feelin it (Say what, say what) Really y'all, here's how to be free  
Just open your mind and relax with the Peas  
Let us call our mellow crew, help you out to peep the ease  
Like a thirty-five mile cruise, steady summer breeze  
Run into your town, run into her town  
Feelin my sound spreadin around  
We spreadin around like the plague  
I got you movin hips, necks and legs  
I'm closed to the end  
So push me, we magic like hocus  
We be fallin up like oh shit  
Some shit, that you won't see  
Some shit that you can't lose  
Some shit that can only be down by you know who  
Whatever double the W-I to the L-L  
For owning the extraterre-es-tre-el-el  
Rockin you the cool-ass rhymes  
The cool-ass rhymes, some cool-ass rhymes  
Some cool-ass rhymes Say what if you feelin it (Say what, say what)  
I know you feelin it (Say what, say what)

I'm a take over the charts and maneuver through the eyes  
Visually on stage, the Peas, we multiply  
While equalling the sums of only one try  
First is my scarf that presented of the pile  
Second adjust my bust that really sound fly  
Third gain the zone, the Washa has arrived  
Fourth keep my mind and my song online  
We purchasin dues that remain state of mind  
Equipped with all cultures, a piece of color blind  
We keep it on the positive 'cause it is hard to find  
Keep it on the positive 'cause it is hard to find Say what Say what if you feelin it (Say what, say what)
