

# Sharing The Night Together

Dr. Hook

You're looking kinda lonely girl  
Would you like someone new to talk to  
Ah yeah, alright  
I'm feeling kinda lonely too  
If you don't mind can I sit down here beside you  
Ah yeah, alright  
If I seem to come on too strong  
I hope that you will understand  
I say these things 'cause I'd like to know  
If you're as lonely as I am  
And if you mind  
Sharing the night together, oh yeah  
Sharing the night together, oh yeah  
Sharing the night  
We could bring in the morning girl  
If you want to go that far  
And if tomorrow finds us together right here  
The way we are  
Would you mind  
Sharing the night together, oh yeah  
Sharing the night together, oh yeah  
Sharing the night  
Would you like to dance with me and hold me  
You know I want to be holding you  
Ah yeah, alright  
'Cause I like feeling like I do  
And I see in your eyes as you're likin' it, I'm likin' it too  
Ah yeah, alright  
Like to get to know you better  
Is there a place where we can go  
Where we can be alone together  
And turn the lights down low  
And start  
Sharing the night together, oh yeah  
Sharing the night together, oh yeah  
Sharing the night together  
Sharing the night together  
Sharing the night together  
Sharing the night together
