

# Broken Record

## Little Boots

Verse 1:

I thought it was the last time  
Our ending was bitter-sweet  
Thought you were out of my mind  
Instead just like on repeat  
In my dreams you belong to me  
set me free

Chorus:

I hear your voice like a broken record  
Saying my name every second  
Dum-dum-daram-dum-dum-daram-dam  
Voice like a broken record  
In my heart I feel it echo  
Dum-dum-daram-dum-dum-daram-dam

Verse 2:

I don't know why, I don't know how you're here  
Impossible to make you disappear  
In my dreams you belong to me  
set me free

Chorus:

I hear your voice like a broken record  
Saying my name every second  
Dum-dum-daram-dum-dum-daram-dam  
Voice like a broken record  
In my heart I feel it echo  
Dum-dum-daram-dum-dum-daram-dam  
Dum-dum-daram-dum-dum-daram-dam  
Dum-dum-daram-dum-dum-daram-dam

Voice like a broken record

Voice like a broken record

Voice like a broken record

Voice like a broken record

Voice like a broken record

Voice like a broken record

Voice like a broken record

Chorus:

I hear your voice like a broken record  
Saying my name every second  
Dum-dum-daram-dum-dum-daram-dam  
Voice like a broken record

In my heart I feel it echo

Dum-dum-daram-dum-dum-daram-dam

I hear your voice like a broken record

Saying my name every  
Dum-dum-daram-dum-dum-daram-dam

Voice like a broken, broken, broken, broken, broken, broken, record  
Dum-dum-daram-dum-dum-daram-dam  
Voice like a broken, broken, broken, broken, broken, broken, record  
Dum-dum-daram-dum-dum-daram-dam
