

Baby, Baby (feat. Lil Mama)

Karina

Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby [Incomprehensible]
I ain't walking round here topless
(Baby, baby)
I know them girls be getting it popping
Strange way getting it popping
(Baby, baby) And if you can't see it through these jeans
Then you won't see it up on me
(Baby, baby)
It's best to tell you don't waste your time
Your eyes don't make me fine
(Baby, baby) I ain't her and she ain't me
Why give my love if you can't see that
I ain't giving you whatever you want boy
I ain't another toy in your toy box My momma said
This my love and love ain't free
It's your momma's fault that you can't receive that
It's all good just pick up your face boy
It's all good pick up your face boy All my girls like
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby Oh, goodie boy, boy stop the promising
Every since good boys ain't still coming
Since this ain't still coming
Go ahead make stupid look real funny then Tomorrow might be heavy wearing the hook
So call me, I'll be burning the book
(Baby, baby)
It's best to tell ya don't waste your time
Your eyes don't make me fine, oh I ain't her and she ain't me
Why give my love if you can't see that
I ain't giving you whatever you want boy
I ain't another toy in your toy box My momma said
This my love and love ain't free
It's your momma's fault that you can't receive that

It's all good just pick up your face boy
It's all good pick up your face boy All my girls like
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby Karina when he think that he pimp, what you tell him?
See you call it pimping but I be calling it slipping
'Cause we don't get down like that, no
Say what I'm saying with or without your attention Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Lil' Mama, let's go Try to bring up on this block long time like old timers
And though it's still for good cause like Obama
Put my girls on, some smart and some dumber
The smart ones succeed, the others is
(Baby, baby) The hotter it got the more they took off
And the hotter I got the more I took off
Fly like an eagle, tell the boy I don't need you
Karina and Mama Lil' the voice of the young people I ain't her and she ain't me
Why give my love if you can't see that
I ain't giving you whatever you want boy
I ain't another toy in your toy box My momma said
This my love and love ain't free
It's your momma's fault that you can't receive that
It's all good just pick up your face boy
It's all good pick up your face boy All my girls like
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
Oh, oh, baby, baby
