

# Until We Meet Again

[Diana Ross](#)

Who would have ever thought  
The day could ever come  
When we would see a love like this  
Fall into pieces And it hurts me to know that now until then  
I'll only have these memories And now there's no time left to pretend  
And it feels like it's the end  
But you're always in my heart  
Until we meet again  
Now I have to let you go  
There's no way we can be friends  
But you're always part of me  
Until we meet again Why while our love was strong  
We still couldn't make it?  
Did time have to take our lives  
In different directions? And it hurts 'cause there's no way for me to reach you  
We're so far apart, when did we grow so far apart? And now there's no time left to pretend  
And it feels like it's the end  
But you're always in my heart  
Until we meet again  
Now I have to let you go  
There's no way we can be friends  
But you're always part of me  
Until we meet again Oh, deep in my heart, I know  
I'll see you again  
Well, I don't know where or when  
But till then And now there's no time left to pretend  
And it feels like it's the end  
But you're always in my heart  
Until we meet again  
Now I have to let you go  
There's no way we can be friends  
But you're always part of me  
Until we meet again
