

Popeye (the Hitchhiker)

Chubby Checker

Pussy cat
I call my baby pussy cat
She drives me wild
When I'm with her
She makes me purr
But I love her like that
She's my pussy cat
Such a crazy pussy cat
And when the [child] begins to dance
I'm in a trance
But I love her like that
I used to call her kitten
But she's a big girl now
And when we get to kissin'
She makes me shout
Meow
Pussy cat
I call my baby pussy cat
If I tell her lies
Like other guys
She'll scratch my eyes

But I love her like that
(Instrumental)
I used to call her kitten
She's a big girl now
And when we get to kissin'
She makes me shout
Meow
Pussy cat
I call my baby pussy cat
If I tell lies
Like other guys
She'll scratch my eyes
But I love her like that
She's my sweet pussy cat
Pussy cat
Such a crazy pussy cat
And when the [child] begins to dance

I'm in a trance
But I love her like that
She's my sweet pussy cat
