

# Love Will Set You Free

## Engelbert Humperdinck

So graceful and pure, a smile bathed in light  
No matter the distance, a miracle of sight  
Though I should have known, I could not turn away  
When faced with your beauty no reason can stay  
As you kiss him in the moonlight  
With heavy words I say  
If you love someone, follow your heart  
Cause love comes once if youre lucky enough  
Though Ill miss you forever, the hurt will run deep  
Only love can set you free  
Trust in your dreams, run with no fear  
And if you should stumble remember Im near  
As a ghost I will walk, Ill look deep in my soul  
I might find another, you gave me that hope  
So as you kiss him in the moonlight  
With heavy words I say  
If you love someone, follow your heart  
Cause love comes once if youre lucky enough  
Though Ill miss you forever and the hurt will run deep  
Only love can set you free  
And if you love someone, follow your heart  
Cause love comes once if youre lucky enough  
Though Ill miss you forever, the hurt will run deep  
Love will set you free
