

Sister Cool

Blue System

Down in the flame, down in the passion
Oh, I'm a slave to love
I play no game, it's all obsession
Words are not enoughOh, give me love, give me that special feeling
Oh, give me all, let us rocking and reeling
Oh, give me sex, give me hope for this game tonight
But baby don't be sister coolOh, I'll make good love to you
I waited every night
I waited every day
Baby, come tell me you're making my dayBut baby don't be sister cool
I show you what a love can do
You gave me such golden days
You gave me such golden nightsDon't let
Kissing the fool, kiss in the fire
The closer we can get
Don't break the rules of deep desireSleeping in your bed
Oh, give me a chuck, give me a sweet sensation
Oh, give me all, all i want is good vibration
Oh, give me sex give me love for this sweet, sweet night
