Time for Work

Machel Montano

Is time for work no laughing
no . posting on the floor ... no slotting
when I get behind rewind like you don't feel no clothing
you said you . for the holding never wanna see you ... rock it off
baby back it off . back it off
girl what is your occupation use your .
concentrate for working . you have to control it
let me see you go . I just wanna see you work
... you said you . for the holding never wanna see you ... rock it off
baby back it off . back it off
girl what is your occupation ... concentrate on working
you have to control it you got to go
baby drop it for me . taking over this . I got something for you
you know what it means is time for work bay
is time for wok lady
give me the walk . take your time I don't care
you said you . for the holding never wanna see you ... rock it off
baby back it off . back it off
is time for work
