

# We Shall Overcome

## Real Life

here we go again  
breaking everything  
out go the rules  
here come the fools  
hey I'm not superman  
hey I don't mind  
just giving notice  
I'm alive  
we shall overcome  
we are moving on  
we shall overcome  
we are moving on  
here we go again  
burning everything  
ashes to dust  
we're never gonna rust  
maybe I'm not superman  
maybe I don't mind  
just giving notice  
I'm alive  
we shall overcome  
we are moving on  
we shall overcome  
we are moving on  
maybe I'm not superman  
maybe I don't mind  
just giving notice  
I'm alive  
we shall overcome  
we are moving on  
we shall overcome  
we are moving on
