

I'm Running

Mary Mary

When You speak to me I have direction
But I woke up today and You ain't said nothing, no
Which way do I go and tell me what do I do?
But I will never know if I don't get to You
So I'm running
If I can't walk then I'll crawl
And I'll get up if I fall
Gotta get to where You are
So I'm running
And I won't stop for nothing
It's hard but it's worth it
When it's You Lord that I want
Looking and looking, said I'm just trying to find You
Feels like a dead end, I'm so lost without You
But I'm feeling desperate and I don't wanna feel this
I need a solution and walking just won't get it
So I'm running
If I can't walk then I'll crawl
And I'll get up if I fall

Gotta get to where You are
So I'm running
And I won't stop for nothing
It's hard but it's worth it
When it's You Lord that I want
As the deer panteth for the water
So my soul longeth after Thee
You alone are my hearts desire
And I long to worship Thee
So I'm running
If I can't walk then I'll crawl
And I'll get up if I fall
Gotta get to where You are
So I'm running
And I won't stop for nothing
It's hard but it's worth it
When it's You Lord that I want
