She's Got It

Glyder

There's a sweet little girl that lives down the street
Some people think she's square but I think she's sweet
You can see her every day, strolling up and down the way
Looking so pretty and this is what I saySHe's got it
Ooh baby, she's got it
Ooh baby, she's got it
I can't do without herBig blue eyes, long black hair
Dimpled cheeks and she's no squareSHe's got it
Ooh baby, she's got it
Ooh baby, she's got it
I can't do without herRuby lips, shapely hips
When she walks down the street all the cats flipSHe's got it
Ooh baby, she's got it
Ooh baby, she's got it
I can't do without herSHe loves to sing, hot rod queen
She's real gone in everythingSHe's got it
Ooh baby, she's got it
Ooh baby, she's got it
I can't do without herSHe loves to sing, hot rod queen
She's real gone in everythingSHe's got it
Ooh baby, she's got it
Ooh baby, she's got it
I can't do without herWhen the music's hot, she loves to bop
She'll dance till the jukebox popSHe's got it
Ooh baby, she's got it
Ooh baby, she's got it
I can't do without herYeah, she's got it
Oh, oh, she's got it
Ooh, she's got it
Yeah, she's got it
Oh, oh, oh, yeah, ah
