

Love You Babe

Jason Collett

Smelling roses, taste the wine
Try not to drink too much tonight
Love you babe
Slip out your dress then you look fine
Zip off your dress 'cause you change in mind
Love you babe Across the room you catch my eye
I stop for you ever time
Well can I say
Love you babe
You like to eat, you like to talk
You hate to lose when we play cards
Love you babe
You like to dance kick off your shoes
Done it up, shake your head loose
Love you babe You got a temper but I can take it
Your mind is tough as your reputation
I know just what you weight
Love you babe, love you babe
Love you babe, love you babe How we love on a Tuesday night
That hardly deserves another body of wine
So we say
It's so hard to deny you
I don't never want to deny you
Love you babe
