Â¡Paranoia! Cha-Cha-Cha

The Soviettes

"Don't go out at night. That's when they all come out! That's when they'll get you.
Hey look out! On the right! He doesn't look like you? Call us, we'll get him!"
It's gonna be alright, you're messing with my head. I don't believe you.
You're coming at us hard. Control is what you want. Well, I'm not buying.Seems like you wanna be shut down
I'd say you're gonna be shut down
They say you've gotta be shut down"We're doing this for you. If we don't stop them now, they're gonna get you.
In fact, they're here right now. You'd better learn to sleep with one eye open."
