## Cocoa Brovaz

Your eyes are almost dead  
Can't get out of bed  
And you can't sleepYou're sitting down to dress  
And you're a mess  
You look in the mirrorYou look in your eyes  
Say you realizeEverybody goes  
Leaving those  
Who fall behindEverybody goes  
As far as they can  
They don't just careThey stood on the stairs  
Laughing at your errorsYour mother's dead  
She said  
"Don't be afraid"Your mother's dead  
You're on your own  
She's in her bedEverybody goes  
Leaving those  
Who fall behindEverybody goes  
As far as they can  
They don't just careYou're a wasted face  
You're a sad-eyed lie  
You're a holocaust
