Call It Something Nice

Small Faces

Marriott-LaneOh, can't you see ? It's not me you're looking for
I'm not the one to show you the way
The answer is you, it was and will always be
The answer is you and certainly not me.It's not this I say for wanting to hurt you
But this I say for wanting to help
Please, see the good and don't see the bad in me
The good and the bad are both in yourself.Oh, please, don't grow, don't grow to depend on me
Don't lean on me 'cause I might let you down.
Make (?) now, tomorrow may never be
Make (?) now and don't turn around
But look for the light that's so bright you cannot see
Look for the light and don't look for me.
