

Dear In Your Headlights

Blondfire

I will not sleep
till we are rolling on the lawn
I will not sleep
till we are staring down the sun
I will not sleep
till every day is a weekend
I will not sleep
going to go as hard as wee can
I don't want to be like that
I don't want to be like you
I would rather be a monster
just howling at the moon
I don't want to be like that
I don't want to be like you
I don't want to be a downer
just a dear in your head lights
so baby wont you let me
baby wont you let me go
baby won't you let me
baby won't you let me goo
I will not sleep
till the record is all broke
I will not sleep
till it all goes up in smoke
I will not sleep
till everyday is a weekend
without sleep
can you go as fast as we can
I don't want to be like that
I don't want to be like you
I would rather be a monster
just howling at the moon
I don't want to be like that
I don't want to be like you
I don't want to be a downer
just a dear in your head lights
so baby won't you let me
baby won't you let me go
baby won't you let me

baby won't you let me
let me go!
