

# Crazy in My Heart (Buzz Junkies Dub)

## Kamaliya

My heart is turning like.... a satellite  
And I'm lost in you... like a fool  
ed on you... at first sightFast & slow  
My heart is beating like...it's going wild  
And I come alive .... Energized  
Every time... we make loveShining down like rain...falling on my skin  
Lovers in a scene... Breathing you within... my heart  
(  
Crazy in my heart because you're there  
Flowing in my veins - you're everywhere  
Crazy in my heart cause you're the rhythm  
Beating...softly...  
Crazy in my mind cause of this love  
Driving me insane - I don't know  
How you... Do it... Baby  
Take me... shake me... make me...lose control  
Drive me .... Crazy... Drive me...Crazy...  
Crazy...Crazy... in my heart  
Purple skies... The earth is movin' round ...it's upside down  
And I'm hypnotized ... for some time  
When I look...in your eyes  
Crazy how... This love is pouring down... all over me  
And I like the way... it gives me  
Natural highs... day and nightShining down like rain...falling on my skin  
Lovers in a scene... Breathing you within... my heart
