Friday

Sir Charles Jones

This one is dedicated for all the workers that work 9 to 5
Do you want to party
Hey, itâ€™s Friday, letâ€™s party tonight
Itâ€™s Friday, and Iâ€™m gonna party and get my groove on
Itâ€™s Friday, and Iâ€™m gonna party till the break of dawn

I did my work this week
And baby I just got paid
Wanna go buy me a fresh pair of gators
With some of this money that I made
Mel Waiters on the radio
Singing about the whiskey
I think Iâ€™ll go by the store
To get me a bottle so I can be ready
To get my groove on the dance floor

Mr. Dee Jay, can you play some Marvin Sease
Can you play â€œMotel Loverâ€•
So I can ask this lady to please take me
Iâ€™ve been at work all week and I deserve
To come out and have a good time
Iâ€™ve been spending my money on everybody else
Tonight Iâ€™m gonna to spend every dime
Cause itâ€™s Friday!
