Suns Irrupt

Neon Indian

Old love eroded from time You'll remember me soon Last stars, I follow them nowhere They follow me tooSuns irrupt sun irrupt suns irrupt Suns irrupt sun irrupt suns irrupt And I wake up and I wake up and I wake up I wake up, I wake upBloodlines erased from design Before there was you When you were swallowed in earth I slept in a wombSuns irrupt sun irrupt suns irrupt Suns irrupt sun irrupt suns irrupt And I wake up and I wake up and I wake up I wake up, I wake upSuns irrupt sun irrupt suns irrupt Suns irrupt sun irrupt suns irrupt And I wake up and I wake up and I wake up I wake up, I wake up [x2]Lost and it had to happen sometime Gone but I'm waiting to be someone [repeated](Old stars, I follow them nowhere they follow me too Old stars, I follow them nowhere they follow me too)
